Parish Council

Last month we held a very proactive Public Meeting to discuss two important events of impact to our village – the A47 Upgrade and potential future housing development. Whilst this meeting was organised by the Parish Council, it was a meeting for residents and whilst very successfully chaired by Cllr Harding, this was all about stakeholder views. Altogether, including Cllrs and District Cllr Bambridge, 54 people attended the meeting which was a significant turn-out for the village on what was a very rainy night!

In terms of the Local Plan Call for Sites, opinion was verbalised throughout the night, concluding with an informal vote to capture indications of feeling; this initial feedback suggested that there was little appetite for development in the village as per the sites and quantity of housing put forward for consultation.

It was concluded that a second Public Meeting should be called later in the Autumn to consider any updates plus to further explore the option of formulating a Neighbourhood Plan. At the time of writing, North Tuddenham Parish Council is holding an extraordinary Parish Council meeting on 26th September at which next-steps, will be explored. All, of course, are welcome to the forthcoming regular meeting scheduled for 14th November. Watch this space (and Facebook and the Parish Council Website!) for further news as we go forward.

Hope you all enjoy a warm and mellow Autumn.

Best wishes, *Vicky*

Recipe for October

Roasted Ratatouille Chicken

A simple method and lovely Mediterranean flavours and colours make this versatile dish perfect for either a family supper or dinner party.

Ingredients

1 onion cut into wedges; 2 red Peppers seeded and cut into chunks; 1 courgette about 200 grammes cut into chunks; 1 small aubergine about 300 g cut into chunks; 4 tomatoes halved; 4 tablespoons of olive oil plus extra for drizzling; 4 chicken breasts -skin on- about 150g each and a few Rosemary sprigs optional

Takes 50 to 60 minutes and serves 4 people.

Method

Preheat the oven to 200° C or fan oven 180° C

Lay all the vegetables and the tomatoes in a shallow roasting tin.

Make sure they have lots of room, as overcrowding will slow down the cooking.

Pour over the olive oil and give the vegetables a good mix round until they are all well coated (hands easiest for this).

Nestle the chicken breast on top of the vegetables and tuck in some rosemary sprigs, if you have them.

Season everything with salt and black pepper and drizzle a little olive oil over the chicken. Now roast for about 35 minutes until the vegetables are soft and the chicken is golden. Drizzle with oil before serving.

MINDTEASERS

Answers to September's Teasers:

Q1. What kind of ship has two mates but no captain?

A. Friendship

Q2. What day of the week was yesterday?

A. Wednesday

Explanation

*To begin with, there aren't any days where both of them told the truth and lied the day before, so we know **one of them must be lying**..*

So we have two options, either Angel is lying or Brenda is.

Option 1. Archie is lying. *In order for this to be the case, he needs to be lying today and telling the truth yesterday, so we need two days in a row with T F. And if Kent is telling the truth, he would need two days with F T. That means we're looking for two days that have Archie: T F & Kent: F T*

Option 2. Brenda is lying. *This is just the reverse of the above, so we need to find: Archie: F T Kent : T F*

*The only day that matches either of the two options is Thursday, and it's option 2. Kent is the liar. Yesterday = **Wednesday***

Q3. What came first, the chicken or the egg?

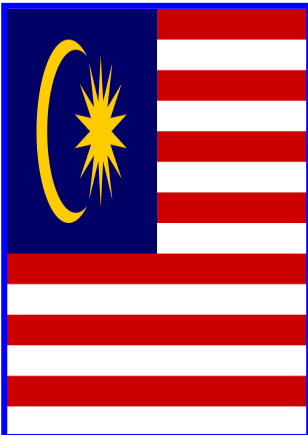

A. The egg. (Dinosaurs lived before chickens!)

Q4. Which balls should you put in the hole in order to total 30?

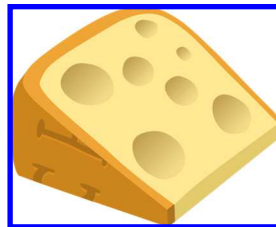

A. 11+ 13 + inverted yellow ball no.9 or 6 = 30
