

# 'Our Organists Entertain!'

**Saturday 21st April at 7.30 p.m.**

**Church of St. Mary the Virgin, Mattishall Lane, North Tuddenham**

Thanks to generous donations and active fundraising, our magnificent 1875 Bevington Organ has been restored to full working order by master organ builders W & A Boggis of Roydon, Diss. It now sounds terrific! Rodney Briscoe, who is in the audience this evening, is responsible for this sterling work.

To celebrate this important restoration, the P.C.C. approached our volunteer church organists to play their favourite pieces. Fortunately, they all agreed without hesitation!

This evening's stars are **Mark and Tracey Thompson, Dougal Smith, Neville Willis and Sam Eglington.**
